

Для розвитку діалогічного мовлення в середніх та старших класах можна запропонувати складання діалогу з теми з опорою або пограти в **рольову гру**.

Гра "Guess the Place"

T. And now let's play the game "Guess the place". One of you describes a shop and other pupils guess what shop is this.

For example: You can buy sugar and tinned fish there. (This is a grocer's shop)

- Put the parts of the dialogue in correct order and act out the dialogue. I'm looking for potatoes.
 - Here's the money. Thank you.
 - Yes, 2 kg of tomatoes, please.
 - Here you are.
 - Can I help you?
 - Here you are. That's 10 hryvnyas for tomatoes and potatoes.
 - Do you want something else?
 - I want 3 kilograms, please.
 - How many would you like?

Фрагмент уроку з теми "Appearance" (6 клас)

-- Role Game,, Detective" / PAIR WORK

Role I. You are detective. Ask your witness questions about the appearance of the man you are looking for.

Role II. You are a witness. Answer the detective's questions: 1) Is the man tall or short? 2) What colour is his hair? 3) What kind of nose has he? 4) What has he on?

■ **A new agent Joe King.**

- We have a new agent in our Detective Agency. His name is Joe King.
- It's Joe's second week in our Agency. But still he can't remember the names of some of our stazhers. Joe is funny & he likes jokes. So, decided to make notes about our stazhers.

■ Look & say:
